Dear Cal,

We do have an adequate supply of Oswald in New Orleans. They are $25 plus postage if mailed.

Sorry I forgot to respond to your previous letter. I stay busy and my body now requires much more sleep. I listen to it, as we all should.

I completed a book-length commentary on and analysis of Oswald Talked, which he did not, long ago .

Jim and I like Jim Cavelle and his wife. He and you may not agree but that does not mean he is not a good man. We think he is.

Please give our best wishes to your mother.

Sincerely,

Harold Weisberg
